

## Warming up

**1** Look at the maps. **Locate** the theatre districts in London and in New York City.

.....

.....

**2** Complete the following grid with the common points between London and New York's theatre districts. Then **make** sentences on the following patterns.

*Both (Broadway and the West End) have / They both have...*

*Both (Broadway and the West End) are / They are both...*

*e.g.* Both Broadway and the West End are located in the heart of the city.  
They are both located in the heart of the city.

	Common points between the West End and Broadway
Location in the city	
Number of theatres	
Similar names of theatres	
Similar musicals	

.....

.....

.....

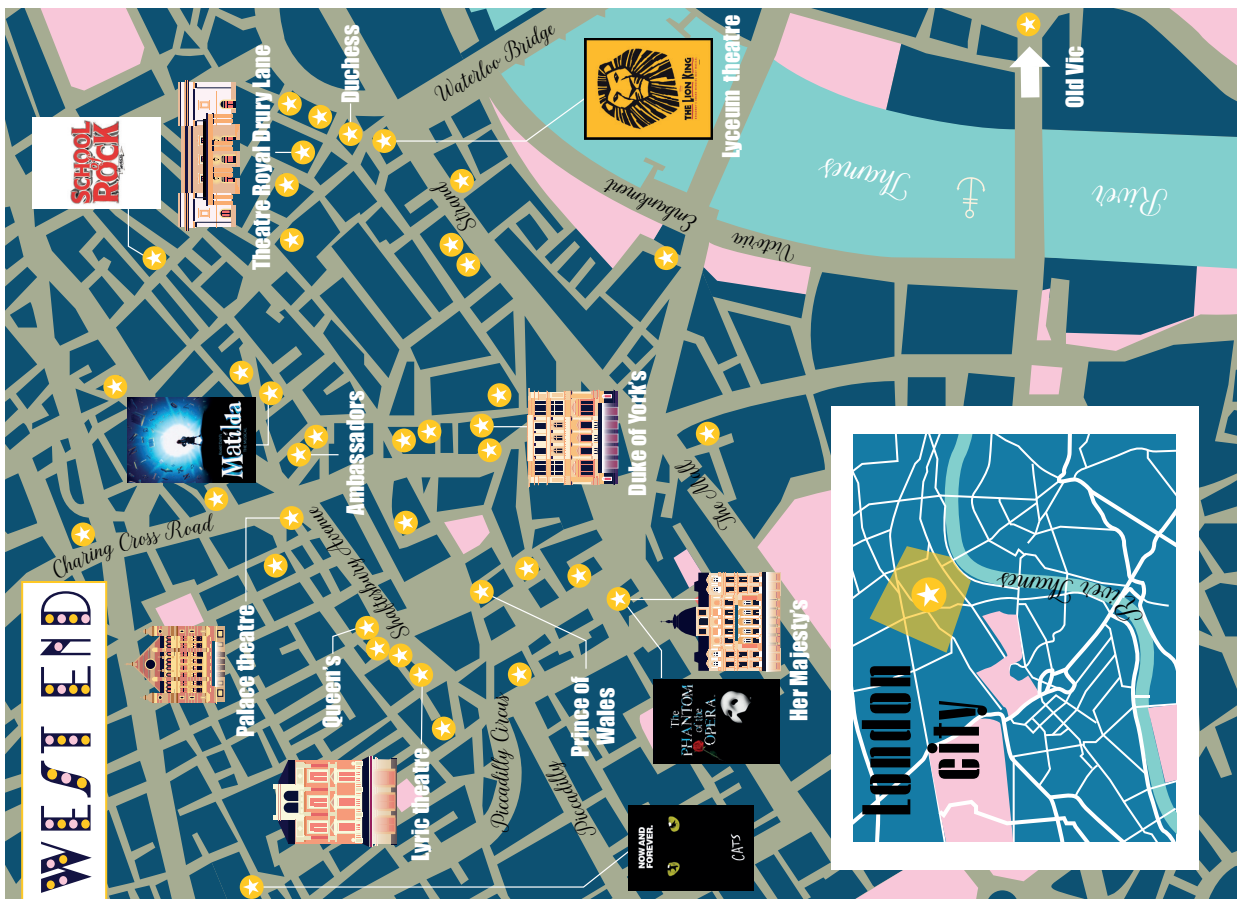

.....

.....

- 3 **Pair work** Choose each a different theatre district (Broadway or the West End).  
Tell your partner what you have learnt about it. Then **discuss** the common points together.
